

Our Business is Cleaning Yours

COMPETITIVE RATES Superior cleaning services at a price you can afford.

CUSTOMER SUPPORT 24/7 availability, a Customer Service Advocate will be assigned to you and will conduct regular inspections, client feedback surveys, and an emergency response system for maximum support.

CUSTOMIZED WORK SCHEDULE Tailored to meet your needs, providing the best service in a minimal amount of time using a calendarized system.

GREEN CLEANING Use of state-of-the art equipment and supplies such as microfiber products to eliminate bacterial transfer and to preserve human health and environmental quality. A sanitized work environment means that employees are healthier, happier, and more productive.

INTEGRATED COMMUNICATIONS A Master Work Order logbook for tracking and providing feedback on all daily and rotational work.

SMARTCLEAN™ A rotational, systematic service that ensures the highest level of cleanliness for good health based on your priorities and budget.
